

RUST REMOVER 2024

The Saskatchewan Aviation Museum is hosting a Transport Canada sanctioned RUST REMOVER clinic to help pilots brush off the rust from their flying and knowledge.

Please join us Saturday May 4, 2024.

The clinic will be held in the museum's main hangar amongst vintage aircraft.

Fly-Ins Welcome!! Parking is available on the tarmac by the museum.

The whole idea of the RUST REMOVER is to help general aviation pilots to comply with CARS currency requirements. Speakers will focus on highly relevant and current airmanship and practices to be employed with every flight.

Registration: 08:00-08:45

Lunch break: 11:45-12:30 (Coffee and Lunch is included)

Wrap-up: 16:00

Member Registration is \$65.00 Non-member Registration is \$80.00. To reserve your seat please purchase your ticket online at www.saskaviation.ca or contact the office by phone 306-651-7247.
